

**85% of students said “YES”...**

...when asked if *MyNursingLab* helped them

**understand the content better.**

**How does MyNursingLab help students and instructors?**

- **MyNursingLab** gives students the opportunity to test themselves on key concepts and skills. Students can track their own progress through the course and use a personalized study plan to achieve success.
- **MyNursingLab** saves instructors time by providing quality feedback, ongoing individualized assessments for students, and instructor resources all in one place.

*MyNursingLab* helped me to achieve a higher course grade than I would have otherwise:

**74% of students said YES**

## Responses from actual users of *MyNursingLab*; this solution helps your students succeed!

- The **animations** helped me understand hard concepts
- I liked how it was **easy to use** and the **content was relevant**
- The **customized study plan** was great. The pre-test and after the post tests, excellent idea!
- I liked the pre/post tests and how they give you **specific book pages to study from** on the areas
- The **rationale that was given** for each answer.
- The study plan that is **customized to you** after taking the pre-test!
- ***Wish I had gotten on here sooner!*** But definitely plan to make more use of it in the next round of classes.
- I love the practice tests! and how it **showed me what I needed to work on**
- I like how it allowed you to **retake the post tests**.
- The remediation after each pretest. **Enabled me to concentrate** on specific sections/
- The **videos** since I am a visual learner
- ***I loved it!***
